

5K Technologies Ranked Among Top 501 Managed Service Providers by MSPmentor

*10th Annual MSP 501 Ranking and Study Identifies
World's Most Progressive MSPs in Information Technology*

July 5th, 2017: 5K Technical Services ranks among the world's most progressive 501 Managed Service Providers (MSPs), according to MSPmentor's 10th-annual MSP 501 Worldwide Company Rankings. The top MSP 501 companies ranked this year include organizations from around the world and from diverse technology and business backgrounds. Collectively, they amassed \$14.48 billion in total revenue (based on 2016 results), up more than 15 percent from a year earlier.

The complete 2017 MSP 501 list is available at MSPmentor.net. In addition to honoring 5K Technical Services, this year's MSP 501 list and study showcases the top ranked MSPs worldwide. Over the next few weeks, MSPmentor will unveil additional lists showcasing:

-) The top MSPs in Europe, Middle East and Africa
-) The top MSPs in Asia, Australia and New Zealand
-) The top Small Business MSPs' list, comprised of organizations with 10 or fewer employees
-) The top vertical markets pursued by MSP 501 companies
-) The leading tools they leverage to run their businesses
-) And the top technologies they provide to customers

"We are excited to be a part of this exclusive list! This is truly a testament to the exceptional quality of service our entire team delivers and commits to our clients," said Corey L Kirkendoll, President/CEO of 5K Technical Services. "5K is focused on delivering IT services that help our clients improve business performance and eliminate downtime. Our placement on this list is a testament and validation that we are doing the right things. We have a 100% satisfaction score with our clients, and that means the world to us."

"On behalf of MSPmentor, I would like to congratulate 5K Technical Services for its recognition as an MSP 501 honoree," said Aldrin Brown, Editor in Chief, MSPmentor. "The managed service provider market is evolving at a rapid pace and the companies showcased on the 2017 MSP 501 list represent the most agile, flexible and innovative organizations in the industry."

The 2017 MSP 501 list is based on data collected by MSPmentor and its partner, Clarity Channel Advisors. Data was collected online from Feb. 16 through May 15, 2017. The MSP 501 list

recognizes top managed service providers based on metrics including recurring revenue, growth and other factors.
